HIS Honour the Lieutenant-Governor directs that the despatch from the Right Honourable the Secretary of State for the Colonies and the enclosure mentioned therein, printed hereunder, be published for general information.  
By Command.  
HENRY ESSON YOUNG,  
*Provincial Secretary.*  
DOWNING STREET,  
24th June, 1915.

CANADA.  
No. 581.

SIR,—  
I have the honour to transmit to Your Royal Highness, for the information of your Ministers, a copy of a notice published in the press on the 15th June, containing information for the guidance of persons desiring to record:—  
(a.) Debts (including bank balances) due to British subjects from persons residing in enemy countries:  
(b.) Other property in enemy countries (including securities) belonging to British subjects.  
2. The Foreign Claims Office referred to in the last paragraph of the notice has been set up at the Foreign Office for the purpose of dealing with all claims for the settlement of which no satisfactory machinery has existed hitherto, and which are foreign in the sense that they are claims by British subjects against a foreign Government or by foreign nationals against His Majesty's Government.

I have, etc.,  
A. BONAR LAW.

The Governor-General,  
His Royal Highness  
The Duke of Connaught and of Strathearn, K.G.,  
etc., etc.

BRITISH PROPERTY IN ENEMY COUNTRIES.

HOW TO RECORD CLAIMS.

WE are officially informed that it has been arranged that the Public Trustee shall keep a record of:—  
(a.) Debts (including bank balances) due to British subjects from persons residing in enemy countries:  
(b.) Other property in enemy countries (including securities) belonging to British subjects.  
Any person desiring to record such claims or property can obtain the necessary form for that purpose (Form G in the first case and Form II in the second) from the Public Trustee. Applications should be made to the Public Trustee (Trading with the Enemy Department), No. 2 Clement's Inn, Strand, W.C.  
It must be clearly understood that the action of the Public Trustee will be confined to entering upon the record claims of which particulars are

supplied to him, and that in no way commits His Majesty's Government either to responsibility for the correctness of the claim entered or to taking any action on the conclusion of hostilities or otherwise for the recovery of the debts or property in question.

The Public Trustee will record claims against enemy Governments in respect of public securities of those Governments held by the claimants, but other claims against enemy Governments (e.g., in respect of goods or property requisitioned or sequestered) as distinct from claims against enemy subjects should be notified to the Director of the Foreign Claims Office, Foreign Office, S.W.

#### ORDERS IN COUNCIL.

AT THE EXECUTIVE COUNCIL CHAMBER.

VICTORIA, B.C., 14th July, 1915.

PRESENT:

HIS HONOUR THE LIEUTENANT-GOVERNOR IN COUNCIL.

ON the recommendation of the Honourable the Attorney-General and under the provisions of the "Court Rules of Practice Act" and all other powers thereunto enabling, His Honour the Lieutenant-Governor of British Columbia, by and with the advice and consent of his Executive Council, doth order as follows:—

1. During the war no probate of a will or letters of administration of the estate of any German, Austro-Hungarian, or Turkish subject, wherever resident, shall be granted in respect of any assets in this country without the express licence of the Crown acting through the Minister of Finance.

2. In all cases where probate or letters of administration are granted during the war to any person entitled thereto, the grant shall be made upon the condition that no portion of the assets shall be distributed or paid during the war to any beneficiary or creditor who is a German, Austro-Hungarian, or Turkish subject, wherever resident, or to any one on his behalf, or to or on behalf of any person resident in Germany, Austro-Hungary, or Turkey, of whatever nationality, without the express licence of the Crown acting through the Minister of Finance; and if any distribution or payment is made contrary to this condition the grant of probate or letters of administration will be forthwith revoked.

3. Any applicant for letters of administration or probate during the war shall furnish evidence to the satisfaction of the Judge to whom application is made that the person in respect to whose estate such probate or letters of administration are applied for was not a German, Austro-Hungarian, or Turkish subject; or, failing such evidence, shall

### DOMINION ORDERS IN COUNCIL.

[2148]

#### AT THE GOVERNMENT HOUSE AT OTTAWA.

Thursday, the 16th day of September, 1915.

PRESENT:

HIS EXCELLENCY THE DEPUTY GOVERNOR-GENERAL IN COUNCIL.

**WHEREAS** application has been received for permission to use automobiles in Jasper Park: And whereas it is considered to be in the public interest to extend the privilege of using motors to any parks where motors may be a greater convenience to the public and where they may be used in safety:

And whereas at present there are no parks regulations governing the use of motor vehicles in any park except the Rocky Mountains Park:

Therefore the Governor-General in Council, under the authority of the "Dominion Forest Reserves and Parks Act," is pleased to order as follows:—

The regulations for the use of motor-vehicles within the Rocky Mountains Park, as approved by Order in Council of the 19th June, 1915, are hereby extended to the other Dominion Parks, with the exception of clauses 11 and 16, and wherever the words "Rocky Mountains Park" occur in these regulations they shall be replaced by the words "any Dominion Park," and the following clauses shall be substituted for the said clauses 11 and 16:—

"11. A motor-vehicle may be driven in the park during daylight from and after 6 o'clock in the morning: Provided, however, that any motor-vehicle entering the park and proceeding directly to any permanent station may be allowed to run up to the hour of 11 p.m.

"In addition, motor-vehicles may be driven from any hotel or public building or station which the Minister shall from time to time specify via such roads or streets as shall from time to time be designated by the Minister to any railway depot at any time for the purpose of meeting or dispatching guests on trains.

"16. No motor-vehicle shall be run upon any public highway, road, or street within the limits of any townsite in the park at a greater rate of speed than eight miles per hour or upon any public highway within the park outside of any townsite at a greater rate of speed than fifteen miles per hour."

AT THE GOVERNMENT HOUSE AT OTTAWA.

Wednesday, the 18th day of August, 1915.

PRESENT:

HIS ROYAL HIGHNESS THE GOVERNOR-GENERAL IN COUNCIL.

**THE** Committee of the Privy Council have had before them a report, dated 12th July, 1915, from the Acting Minister of the Interior, submitting that Mr. James B. Leighton and his sons, Raymond F. Leighton and Leslie L. Leighton, of Savona, British Columbia, have applied to purchase under irrigation conditions the lands enumerated in accompanying schedule and situated in the Railway Belt of British Columbia, amounting in area to 519.8 acres, 200 acres and 80 acres, respectively; The Minister states that these parcels adjoin lands owned by the applicants, which total in area approximately 1,036.6 acres, and they propose irrigating the lands applied for by extending and enlarging the irrigating system now used in placing water on their present holdings.

Inspections have been made by officials of the Department of the Interior, who have reported that the land is unsuitable for agriculture without irrigation, and that the irrigation proposition is feasible from an engineering standpoint,—

The Minister, therefore, recommends that the lands applied for as enumerated in the accompanying schedule be sold to the respective applicants on the following conditions:—

(a.) The purchase price to be at the rate of five dollars (\$5.00) per acre, subject to a deduction of the cost of the irrigation-works up to an amount not exceeding two dollars (\$2.00) per acre, and the amount so credited shall be deemed to be a payment in cash made on the date of sale. The said purchase price to be paid as follows: One dollar (\$1.00) per acre within a year from date of the authorization of the sale by the Governor in Council, the balance within three years from the date of such authorization or upon fulfilment before the expiration of the said three years of all other conditions of the sale, with interest at 5 per cent. per annum.

(b.) The lands sold to be brought under cultivation by irrigation.

(c.) The necessary water rights to be secured from the Provincial Government of British Columbia; no further work to be done on the land until preliminary water rights are secured from the Province.

(d.) The work to be commenced within one year from the date of the authorization by Order in Council of the sale, and to be completed to the satisfaction of the Minister of the Interior within three years from such date, unless other dates are fixed by the Provincial authorities in connection with the water rights, in which case the Provincial dates may be accepted if approved by the Minister of the Interior.

(e.) Examination to be made by engineers of the Department of the Interior on completion of the work.

(f.) Patent to issue, when conditions completed, for those parcels the irrigable portions of which have been brought under cultivation by irrigation.

(g.) The sale to be cancellable for non-payment of the purchase price or for failure to comply with any of the conditions of sale.

(h.) Prior to patent no transfer or assignment of the lands, or any rights therein, to be made without the consent of the Minister of the Interior.

The Committee concur in the foregoing and submit the same for approval.

*Clerk of the Privy Council.*

AT THE GOVERNMENT HOUSE AT OTTAWA.  
Friday, the 17th day of September, 1915.  
PRESENT:  
THE DEPUTY GOVERNOR-GENERAL IN  
COUNCIL.

WHEREAS the present regulations for the leasing and administration of lands containing limestone, granite, slate, marble, gypsum, marl, gravel, sand or any building stone, the property of the Crown, known as the quarrying regulations as extended and made to apply to lands contained in the forest reserves and parks as constituted by the "Dominion Forest Reserves and Parks Act" are not sufficient for the full protection of all parks' interests;  
And whereas, in disposing of quarrying lands within the parks, it is desirable that provision be made to prohibit the leasing of such areas as will seriously interfere with parks purposes and to provide for the operating of quarries so as to cause as little interference as possible with parks' interests,—  
Therefore the Governor-General in Council, under the authority of the "Forest Reserves and Parks Act," is pleased to order as follows:—  
The Order in Council dated 6th June, 1911, which extended the quarrying regulations estab-

lished by Order in Council dated 13th May, 1910, and applied them to the Dominion forest reserves and parks, and the Order in Council dated 30th April, 1913, which extended the clay regulations as established by Order in Council dated 21st November, 1912, and applied them to Dominion forest reserves and parks, are hereby rescinded so far as they affect Dominion parks; and—  
The regulations for the administration and leasing of lands containing limestone, granite, slate, marble, gypsum, marl, gravel, sand or any building stone, the property to the Crown, as approved by Order in Council of 13th May, 1910, re-established by Order in Council of 16th August, 1911, and amended by Orders in Council dated 21st November, 1912, and 19th March, 1913, so as to include the leasing of Dominion lands containing deposits of clay, are hereby established and made to apply to all lands within Dominion parks, except Buffalo Park, Elk Island Park, or any other park area established solely as an animal enclosure or bird sanctuary, subject to the restrictions herewith attached.  
RODOLPHE BOUDREAU,  
Clerk of the Privy Council.

1. No lease for quarrying purposes shall be granted for any area within a Dominion park until the application has received the written approval of the Commissioner of Dominion Parks, or other official appointed by him, and unless he, or other official appointed by him, is satisfied that the granting of such lease will not mar the beauty of the park or unduly interfere with the purposes for which it was established.

2. The area leased for quarrying purposes hereinafter referred to as the leasehold shall include only such surface rights as shall be specified in writing by the Superintendent of the park concerned, hereinafter called the "Superintendent," as being required for active quarrying operations, and any surface rights over any portion of a leasehold which are not thus specified may be disposed of by the Minister of the Interior, hereinafter called the "Minister," for any purposes which, in the interests of such park, may be considered advisable.

3. The Minister may at any time resume possession of any portion or portions of the leasehold should he deem it necessary or advisable in connection with the establishment and use of railway, transmission, telephone or telegraph lines, reservoirs, water-power sites or any other works of a public or semi-public character, and an abatement will be made in the yearly rent at the rate of one dollar (\$1) for every acre, possession of which shall have been so resumed and the lessee shall have no claim for damages in any way resulting from such resumption.

4. No operation shall be commenced or proceeded with on any quarrying claim within any park until the Superintendent has been first advised in writing by the lessee, and until the Superintendent or other officer of the Department of the Interior acting in the capacity of such Superintendent shall have given his written approval to the lessee of the work to be carried on.

5. The said lands shall be used for the purposes of the said quarrying operations and for no other purpose except with the consent of the Minister.

6. All earth, stone, refuse, or other objectionable material which may accumulate through the operations of the quarry shall be disposed of by the lessee in a manner satisfactory to the Superintendent and in accordance with his instructions.

7. No nuisance or disorder shall be permitted on the leasehold, and the land and works shall be kept in a clean and sanitary condition to the satisfaction of the Minister.

8. No rubbish or other objectionable material shall be removed from the leasehold and deposited in the park without written permission being first received from the Superintendent of such park.

9. It shall be lawful for the Minister or any person acting under his authority to enter upon the said leasehold and examine the condition thereof, at all reasonable times during the term of the lease.

10. Such royalty as may from time to time be fixed by the Governor in Council shall be paid by

the lessee to the Minister or such officer as may be appointed to receive the same.

11. Any person or persons duly authorized by the Minister may quarry or carry away at any time from the leasehold any stone or other material required for park purposes without compensation to the lessee, but in so doing no unnecessary interference shall be caused to the carrying-on of the work of the lessee, and the lessee shall not be compelled to pay any royalty on such material so removed from the leasehold for park purposes.

12. The lessee shall not cut or interfere with any timber, trees, or other vegetation on the said lands except to such an extent as in the judgment of the Superintendent is necessary to clear an area sufficient for the operation of the quarry, and shall not impair the natural beauty of the park except to such an extent as in the judgment of the Superintendent is necessary for such quarrying operations.

13. The Superintendent may grant a permit to lessee to clear off timber and other vegetation from area sufficient for the operation of the quarry upon payment of timber dues as prescribed in the regulations for the removal of timber in Dominion parks.

14. A proportionate share, as the Minister may decide, of the cost of fire and game protection in the vicinity of the leasehold shall be paid by the lessee.

15. The leasehold and the works and structures thereon, shall be maintained by the lessee in a manner satisfactory to the Superintendent of the park, and if the quarrying operations terminate or cease through any cause whatsoever at any time, the lessee, at the option of the Minister, shall remove or destroy without delay the buildings and other works placed by him on the leasehold, and shall deliver the leasehold to the possession of the Minister in an orderly and safe condition to the satisfaction of the Minister, and should the lessee fail to do this upon receipt of written instructions from the Minister, such refusal shall be accepted as a forfeiture of all rights or claims to the buildings or works and the same may be disposed of by the Minister in such a manner as he considers advisable, and in the case of such disposal by the Minister the lessee shall have no right or claim for damages resulting therefrom.

16. The sites of all buildings, structures, and shipping appurtenances to be erected on the said lands under this leasehold shall be subject to the approval of the Superintendent.

17. No building or buildings shall be erected on the leasehold without the Superintendent being first advised in writing, or before the Superintendent, or an officer of the department appointed by him, shall have given his written approval to the lessee of the situation, style, and design of the proposed building or buildings; and should the Minister at any subsequent time deem it wise or expedient for park interests that the said building or buildings be destroyed, or removed to some other location, or that the style or design of the building or buildings be changed, such destruction or removal or change shall be performed by and at the expense of the lessee with all possible dispatch.

18. Proper and sufficient provision, to the satisfaction of the Superintendent, for the protection of the public in connection with blasting or other operations of a dangerous or offensive character, which may be necessary or desirable in connection with the operations of the lessee, shall be made by the lessee, who shall be responsible for all claims or actions for damages to any person, persons, or property, which may arise in any manner through his operations.

19. The lessee shall take such action at any time and in any manner as the Minister may direct or require to improve the conditions of the leasehold.

20. Such copies of the park regulations or general instructions regarding parks shall be posted and maintained by the lessee in a conspicuous position on the leasehold, as the Minister may direct from time to time.

21. The lessee shall comply with all the requirements of the Superintendent in respect to water supply, sewerage and sanitation and any other particular so as to protect public health and property.

22. The water in any lake, river, stream, or any body of water which may be on, or adjacent to, or flow through, or near any leasehold shall not be polluted or contaminated by the lessee or his employees.

23. The Minister may build any roads or trails through any leasehold, and all roads and trails which may cross any leasehold shall be kept open and in good repair by the lessee, and the public shall have free use of and access to all such roads and trails.

24. If any of the regulations are broken or violated by the lessee, the Minister may summarily cancel the lease or may stop all operations on the leasehold for such period or periods as he may direct, and the lessee shall have no claim for damages arising from any such cancellation of the lease or such suspension of operations.

25. Any lease made in pursuance of these regulations, and any renewal thereof, shall be subject to all regulations for the control and management of Dominion parks now in force or which may hereafter be made from time to time by the Governor in Council. oc14

AT THE GOVERNMENT HOUSE AT  
OTTAWA.

Thursday, the 16th day of September, 1915.

PRESENT:

HIS EXCELLENCY THE DEPUTY  
GOVERNOR-GENERAL IN  
COUNCIL.

**WHEREAS** the regulations, as established by Order in Council dated the 21st June, 1909, of the national parks of Canada, having respect to forest protection, as set forth in clauses 7, 11 (including paragraphs *a*, *b*, *c*, and *d* of said clause), 12, 13, 14, 15, 16, and 40, are insufficient for the present needs of the Dominion parks,—

1. The Minister of the Interior, hereinafter called the "Minister," may appoint Wardens for the purpose of carrying out the provisions of the "Dominion Forest and Parks Act," and every such Warden shall have, for the purposes of said Act, and within the district for which he is appointed Warden, all the powers of a forest officer, and be a forest officer within the meaning of section 5 of chapter 10 of 1-2 George 5, as amended by section 1 of chapter 18 of 3-4 George 5.

2. Every such Warden shall be engaged in no other employment than his official duties as such Warden.

##### FOREST FIRES.

3. Any Warden may order any person between the ages of sixteen and sixty years (other than clergymen, postmasters, railway-station agents, members of the medical profession, telegraph operators, conductors, engineers, brakemen, firemen, and trainmen) residing or being within a Dominion park, and within fifteen miles of a forest fire in any Dominion park, to proceed at once to the locality of such fire, and assist in extinguishing it, and any person neglecting or refusing, without lawful excuse, to obey any such order, shall be

guilty of an offence and liable, on summary conviction thereof, to the penalties prescribed by these regulations.

4. Compensation for fighting forest fires shall be made at the daily rate of wages prevailing at the time in the district in which the fire occurs, with board, or a reasonable allowance therefor, added, but no employee of the department shall receive any remuneration for such services in addition to the remuneration he is in receipt of as such employee. Any person who is required to fight a forest fire and does not assist to the satisfaction of the officer in charge in extinguishing the fire, shall receive no pay and shall be liable to the penalties prescribed by these regulations.

#### USE OF FIRE.

5. The period from the first day of April to the first of November in each year shall be known as the close season in respect to the setting of fire, and no person shall, during such season, set out or cause to be set out, or started, any fire in the open air within the limits of any Dominion park, except for the purpose of cooking, obtaining necessary warmth, or for insect smudges, without first having obtained written permission therefor from the Superintendent of such park: Provided, that any Warden or Fire Ranger may with reasonable care set out fire or cause the same to be set out under his instructions at any time for the purpose of protecting the timber or decreasing fire danger or for any other purpose required for the proper administration of the park.

6. Every person who makes or starts a fire in the open air for cooking or camping purposes shall—

- (a.) Clear away all brushwood, dry leaves, and other combustible material from a space having a radius of at least ten feet in the centre of which the fire shall be kindled;
- (b.) Exercise and observe every possible precaution to prevent such fire from spreading, and carefully extinguish the same before quitting the place.

7. No person shall, during the close season negligently drop or throw down upon any combustible material in any Dominion park any burning match, lighted cigar, cigarette, or other burning substance. The use of wax matches, such as wax vesta or the wax-flamer type, is prohibited.

8. No person shall, without a written permit from the Superintendent, have on hand at any one time a larger quantity than five (5) gallons of gasoline or other inflammable fluid, excepting that contained in the tank of an automobile or motor car. If a larger quantity is kept in reserve the same shall be stored in an iron tank and be fitted with a pump and galvanized-iron pipe coupled at every joint with a tight coupling. Such tank shall also be provided with a filling pipe fitted with a tight screw-cap, and shall be kept under conditions satisfactory to the Superintendent.

9. No person shall, without a written permit from the Superintendent, have or keep any gunpowder, fireworks, dynamite, dextrine, or other explosive, in any Dominion park. Any such material shall be kept only under such conditions as may be prescribed by the Superintendent.

10. Any person being within any Dominion park and observing a forest fire starting in such park shall forthwith use his best endeavours to extinguish it. If such fire is beyond his control he shall report it to the nearest park officer and inform the Superintendent with as little delay as possible.

11. Every person cutting timber within any of the parks, and every person located in or travelling or passing through any of the parks, shall be required to comply with all the provisions of any Act or regulations established by the Government of the Dominion or of the Province in which such park is situated, for the protection of forest against fire, and any breach of such Act or regulations shall be held to be a breach of the regulations hereby established, and shall render the person making such breach liable to any penalty provided by these regulations.

12. Every engine operated by the power of steam, passing through or located in a Dominion park, shall, by the company or authority using the same,

be provided with and have in use all the most improved and efficient appliances to prevent the escape of fire, and it shall be the duty of every engineer in charge of any such engine to use all necessary means and appliances to prevent the escape of fire.

#### WILFUL REMOVAL OR DESTRUCTION OF PARK PROPERTY.

13. No person shall cut or remove any timber or injure any green trees or shrubs, or remove or displace any mineral deposits, natural curiosities, or rare plants, in any Dominion park, unless he has licence or authority from the Government of Canada or the Minister of the Interior to do so.

14. No person shall remove, deface, or destroy any notice posted in a Dominion park in regard to the prevention of forest fires, or any other matter relating to the administration of Dominion parks, or any post or other mark indicating the boundary of a Dominion park.

#### INQUIRIES.

15. Every person entering or passing into, across, or through any of the parks, shall, when requested to do so by the Superintendent, or any Warden, or any other officer having charge of or control of such park, truthfully answer any inquiries made to him by such Superintendent, Warden, or officer as to his name, his post office address, the duration or the proposed duration of his stay in the park, and the portion thereof he intends to visit or has visited, and shall give such other information as may concern park administration.

#### TRAVELLING PARTIES.

16. Every person in charge of labourers or of any survey, exploring, or touring party, or any other party in any Dominion park, shall provide himself with a copy of these regulations, and shall read them to such persons or party, and in case a breach of these regulations is committed by any of them the person so in charge shall be liable to the penalty for such breach as if committed by himself, unless he establishes that such breach was committed without his consent and contrary to his instructions; but such liability on the part of the person so in charge of any such party or persons shall not relieve any member of his party from personal liability for any such breach.

17. Every guide employed by any party travelling through any of the parks shall, before the departure of such party, notify the Superintendent of the number, the names and addresses of the members of the party, the date of departure, the route to be travelled, the proposed duration of their stay in such park, and of the firearms carried by the party.

#### PENALTIES.

18. As provided in the "Dominion Forest Reserves and Parks Act," chapter 10, 1-2 George 5, any person violating any provisions of these regulations shall, in addition to any civil liability thereby incurred, be liable on summary conviction to a penalty of not more than one hundred dollars (\$100), and in default of immediate payment of such penalty, and of the costs of prosecution, such person may be imprisoned with or without hard labour for any term not exceeding six months.

PRESENT:

HIS ROYAL HIGHNESS THE GOVERNOR-GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 9th September, 1915, from the Minister of the Interior, submitting that the Government of the Province of British Columbia has, under the terms of an agreement between that Government and the Government of the Dominion with reference to mineral lands in the Railway Belt, as set out in the Order in Council of the 11th February, 1890, applied for a grant of the undermentioned lands and has complied with the provisions of the Order in Council

AT THE GOVERNMENT HOUSE AT OTTAWA.

Thursday, the 30th day of September, 1915.

PRESENT:

HIS ROYAL HIGHNESS THE GOVERNOR-GENERAL IN COUNCIL.

WHEREAS by an Order in Council dated the 6th June, 1911, the regulations for the disposal of quartz-mining claims on Dominion lands, established by Order in Council dated the 13th of August, 1908, were extended and made to apply to lands within the forest reserves and parks set apart by the "Dominion Forest Reserves and Parks Act":

And whereas these regulations for the disposal of quartz-mining claims are applicable to all minerals defined as such on Dominion lands including phosphate of lime, and it is not considered that these regulations are suitable or sufficient for the leasing and administering of quartz-mining claims containing phosphate of lime within the Dominion parks:

And whereas rich deposits of phosphate of lime have been located within the Rocky Mountain Park:

Therefore His Royal Highness the Governor-General, by and with the advice of the King's Privy Council for Canada, is pleased to order and it is hereby ordered as follows, viz.:—

The Order in Council dated 6th June, 1911, extending the quartz-mining regulations to lands within forest reserves and parks is rescinded in so far as the regulations thereby extended apply to phosphate-of-lime claims within Dominion parks.

Pending the passing of special regulations which are now in course of preparation for governing the disposal and administering of mineral claims within the Dominion parks containing phosphate of lime, no operations whatever shall be carried on for the purpose of mining or developing of phosphate of lime contained in any such claims within the Dominion parks, entry for which has heretofore been granted and no further applications for such claims shall be accepted.
